	rate	rate	rate

The plants quoted are all strong transplanted stock of sufficient age and strength to bloom the first year.

\*Designates rock plants. Heights given are of plants when in bloom.

These prices include delivery and our usual guarantee, (except when requested dug out of season. Special prices will be made on large quantities, or without delivery and guarantee. Three of one kind will be sold at 10s rate. An extra charge will be made for plants selected and staked when in bloom or dug with a ball of earth.
